Botolph Claydon

The 6-mile walk takes you from Botolph Claydon around farm land, past the incinerator and back. There are no stiles; there is one gentle upward gradient and one steeper but shorter hill which may have cattle in.

Parking is on the right just before the white gate with Botolph Claydon on as coming from Calvert. It's just passed Dickens auctioneers and their postcode is MK18 2EZ.

Unfortunately there is no pub nearby but the Red Lion at Buckingham Road, Little Tingewick MK18 4AG had good, plentiful and inexpensive food.

NB the woods on this walk have bluebells (at the appropriate season).
