

# Great Tew northern walk

Approx. 5 1/2 miles

Majority of walk is on road, farm tracks and 'good' field edges. There is one part of walk that is across a field (if it proves too muddy we can walk round edge) & one small bridleway section that has been heavily muddied by horses.

## Directions

Post code for sat nav is OX7 4DB

This is the post code for the Falkland Arms where we will be dining, but very limited parking. There is a free car park at Great Tew which is where we will meet. Depending which direction you arrive from, the car park is just before (on the left) or just after (on the right) of the triangular junction which leads down to the Falkland Arms. It is signposted.

Approx 40 mins, 22 miles

## Stileometer

Reads 1 for this walk.

## Inclineometrics

Overall 'up' is 200ft, not all in one go. There are a few slight inclines. Largest incline is last part of the walk, into Great Tew, approx. 100ft over a long slope.

## Walk directions

From the car park walk down to the Falkland Arms.  
Turn left into the bridleway immediately to the right of the Falkland Arms.  
Go forward until meeting a complex of 6 farm gates.  
Take the 'forward' left hand gate that has a footpath sign on it.  
At house with large windows keep to the right hand path.  
Further along, at entry to house (iron gates) bear right & keep forward onto drive.  
When drive meets road, turn left onto road.  
At crossroads continue ahead into Ledwell.  
Follow road to right (ignore footpath sign) further into village.  
At 'roundabout' retrace steps to above footpath.  
Follow footpath, over stile, & continue forward.  
When path joins road turn right & follow road.  
Walk forward past Flighthill farm.  
Just before road does a sharp right there is a farm gate on the left hand side of the road, cross onto this path.

At 'wood' go forward into field.  
Look out for bridleway sign on right, approx. ½ way into field.  
Turn right into bridleway.  
Footpath crosses field.  
At other side of field turn left (footpath does continue forward past a fenced off wooded area).  
Follow footpath, which turns into a track.  
When track meets a road, turn left.  
Follow road into Great Tew.  
At village green turn right back to car park at the start of the walk.
